Professional Summary

Detail-oriented Frontend Developer in training. Possesses a solid foundation in HTML5, CSS3, and modern JavaScript, with current practical application in React. Proven ability to collaborate effectively, manage group dynamics, and solve problems under pressure. Eager to transition these transferable team skills into a React internship to build clean, responsive user interfaces.

Technical Skills

- **Core Web Technologies:** HTML5, CSS3, JavaScript
- **Libraries & Frameworks:** React (Current Focus), Bootstrap
- **Tools & Version Control:** Git, GitHub, VS Code, Chrome DevTools
- **Key Competencies:** 50 WPM Typing Speed, Cross-Functional Collaboration, Debugging

Technical Projects

Interactive Frontend Components | *Personal Development*

- Built responsive web pages using semantic HTML5, CSS3, and JavaScript, ensuring layout compatibility across mobile and desktop browsers.
- Translated basic UI mockups into functional web elements using Flexbox and Grid layouts.
- Utilized Git and GitHub for version control, managing code updates and deployment via GitHub Pages.

Education

Bachelor of Business Administration in Computer Application

Arihant College of Arts Commerce and Science, Pune - 2023
